The Dimmer VIEW

By MAX GOODWIN

We've got the parking strip in front of the post office area all but settled but we involved the Congress of the United States, the Regional Office of the Post Office Department, together with some others, to get to this point.

We received a letter from Congressman James Utt this week saying that he was continuing his effort to get the post office people to take action against the lessor of the post office building to get the filthy, dusty 14 foot strip paved between the parking apron and the county-owned paved road.

He attached a letter from Verne Scoggins, regional director of the post office at San Francisco addressed to him in which the normal governmental double talk was contained.

Scoggins said "The lessor... advised us that he has been in contact with the adjoining property owners who have been instigating the street paving project... (they) informed him that it will be several weeks before the work can be accomplished." The condition arose when the post office was occupied in May, 1956, and from that date the paving has been "several weeks" away.

Considering the fact the post office department is a public service agency, they should have no more allowed that 14 foot strip to remain in country-road dirt unpaved condition than they would allow a letter to go through without a stamp.

So when I was talking to David Bird, our county supervisor yesterday about the power politics caper by which we are certain to lose our one-and-only court, and now even Bird is reconciled to the fact, I asked him, point blank, this question: "Mr. Bird, why the hell don't the supervisors pave that lousy strip in front of the post office?"

He said he would see why not, and he called back in an hour and said the county road department would pave the strip up to the private property lines. Property owners have told their tenants that the parking apron extends to the edge of their property, so if that is true the job will get done a year and three months after the post office was opened, the job falling back on county taxpayers when it should have been part of the post office contract with lessor.

When and if this job gets done, I'm going to cast my vote for Supervisor Bird for Postmaster General.

Telephone wires were tangled last week in Lemon Grove!

An incident revolved around the near-tragedy at the home of Lemon Grove attorney, V. J. Dorman, 6781 Hibiscus Drive when an eight-year-old guest slipped, hit her head on the pool's edge and tumbled into the water. After she was pulled out Mrs. Dorman raced to the phone, dialed operator, as is usual in an emergency, and asked for the Lemon Grove Fire Department. The operator objected, saying the exchange being "Juniper", the caller must certainly want the San Diego Fire Department, and so connected her. The San Diego Fire Department insisted that she was in the La Mesa Fire Department's area of operations and switched her to La Mesa and La Mesa radio'd Lemon Grove... which was what Mrs. Dorman wanted at the start.

The little girl was more dazed than water-logged and she responded nicely to the ministrations of poolside guests and the Lemon Grove Fire Department.

FREE ORCHIDS TO ADVERTISE FREE SQUARE DANCE

Another free community square dance will be held August 30 in the Mayfair parking lot and a truck load of prizes will be given to lucky dancers and spectators, it was decided Tuesday.

The dance, with live music, will attract square dancers and guest callers from all over the county. The event is a project of the Lemon Grove Boosters Club.

Jim Spears, Boosters president, said that a plane load of orchids would be flown from Hawaii and the flowers would be distributed in the Lemon Grove Boosters district all day Friday to advertise the dance. Prizes at the dance

will be given by local merchants on a free drawing basis. Free coffee will be provided for those attending the event.

Other events are being planned to attract shoppers to Lemon Grove. A meeting has been called for Tuesday noon at Michael's to set plans for another community sales promotion. All merchants, whether members of the Boosters or not, are invited.

Leaseholders Would Pay For Improving Broadway, Says Griffen

Harry Griffen, local resident and investor, reviewed at the Men's Club Friday, his activities in attempting to form a voluntary improvement group for Broadway.

The million dollar proposal in which the county would share to the extent of widening the road, would have brought a sweeping boulevard the length of Lemon Grove from College to Kempf, complete with parking areas separated from the road by sidewalks, ornamental street lights and stormwater drainage control.

Griffen said that 51 of 100 Broadway property-owners met with him in June 1956 and he supplied data acquired by four months of work and study at this meeting. A questionnaire was distributed to persons present and in spite of the fact that one question permitted the member question permitted the member to check "not interested" and that were supplied, less than 10% took the trouble to return opinions.

Griffen said that many are absentee owners and these do not now appreciate the needs of a community which has grown as fast as Lemon Grove. He called for a committee of tenants to establish what they believe their needs to be, then meet with owners to resolve these needs. Most leaseholders would allow leases to be re-written upward to accommodate these vital improvements, Griffen said.

Not Quite All There But Mt. Miguel To Open On Schedule

The \$2 million Mt. Miguel High School will open September 10, the day originally set for starting school, despite a delay in completion of all buildings except classrooms, due to the recently ended plumber's strike.

Trustees had originally considered delaying opening if not more than two weeks were involved.

The delay could be picked up during the holidays and vacations. Lewis Smith, Grossmont High School District superintendent had said. There was also a plan ready for moving the students to Helix High School for half day sessions.

Mel Grant, Mt. Miguel principal, whose job it is to co-ordinate the activities of the 1,400 students and 55 members of the faculty and administrative staff said that he is gratified that the school can be opened on schedule. "We've been progressing as though there was no question as to the opening date being other than September 10," Grant said. "We now expect to start full-fledged operations with only minor disruption. There'll be no hot water in the shower rooms, cafeteria and kitchen, and it will be several weeks before there will be, and the electrical work is lagging, but long daylight summer days will prevent this from interfering seriously with our program."

Meanwhile, the County Public Works Department and the Health Department rejected a request from the school to hook up to the new sewer line before the Spring Valley Sanitation District settling tank is completed. The completion date is set for October 1st. Installation of holding tanks will be started immediately to handle this phase of high school housekeeping. "This will require enforcement of some rigid water conservation rules," Grant said.

Registration of students will be held August 28 and 29 from 9 to 3 except during lunch period.

Another wave of youngsters as unprecedented as the waves the years before, will descend upon Lemon Grove schools when the bell rings Tuesday morning September 10.

3,500 students will converge upon the five schools in the elementary school district to fill, up to the point of overflowing, school rooms requiring 116 teachers. A sixth school on Palm Avenue will be opened during the school year.

That is the picture painted this week by School Business Manager Paul Reynolds who added, optimistically, that the end of school population growth in the present district is "just over the horizon."

Reynolds said the new Palm Avenue elementary and junior high school consisting of 8 classrooms, an industrial arts room and an auditorium-cafeteria will be opened soon after the Christmas vacation to care for approximately 300 students. The Palm Avenue plant, he said, will ultimately consist of 25 classrooms.

A bond issue will be voted upon November 15 and this will be for providing matching funds to be used with \$163,715 granted via a federal grant for starting a school in the San Altos area. Reynolds says that taxes should not be increased by passage of the measure. The San Altos project schedules 670 children, including 110 in kindergarten for the completed plant.

Condemnation The board of trustees recently condemned property adjacent to the Palm Street school site for a future school. This would be the seventh, and, according to Reynolds, the final school needed for the elementary district within the boundaries of the present limits.

"We would start another school on Palm Avenue in about three years," Reynolds said. "By then most of the remaining lots in the district will have developed."

"Seven schools will saturate the district based on forecasts on the district as it now stands," Reynolds pointed out.

Reynolds said the district pins high hopes on Senate Bill 224 which, if passed, forgives all indebtedness beyond a 40¢ rate. Present rate is at 60¢.

Newcomers to schools will register at any school the first week in September and birth certificates or evidence of transfer will be required.

Class lists will be posted at each school, along with bus schedules and the names of the teachers of each class.

Buses Buses will provide students with transportation who live more than 1/4 of a mile from school, if they are in kindergarten, 1, 2 or 3. Ages 4 through 8 will be transported if they live a mile or more from school.

Reynolds said that children may start to kindergarten if they are 4 years and 9 months old by September 1. They may start in the first grade if they are 5 years and 9 months old on that date.

Quick Work Saves Girl At Private Pool

Eight-year-old Jerene Doecker was saved from possible drowning when she fell against the coping of the swimming pool at the home of a Lemon Grove attorney, V. J. Dorman, 6781 Hibiscus Drive late last week. She tumbled semi-conscious into the water after she apparently slipped and hit her cheek against the coping.

She was pulled from the water by Mrs. Dorman, and Mrs. Sandra Cavanaugh of Berkeley, a guest at the Dorman's home. Also aiding in pulling the girl from the pool was Arthur Davis, a delivery man for a rental firm who was delivering folding chairs.

Mrs. Dorman called the Lemon Grove Fire Department for the dazed girl. Fireman Mark Foote and Leon Anderson responded with the rescuer, Dr. Jack Tracy of the Lemon Grove Fire Department said the application of artificial respiration by the adults who pulled her out of the pool unquestionably saved her life.

Jerene is the daughter of Mr. and Mrs. Jerry Doecker of 6218 Birchwood Street, Allied Gardens.

Official Matador Uniforms Listed

Mt. Miguel High School Physical Education department has adopted the following clothes as regulation, it was announced by Tom Welbaum and Jane Trude, heads of the boys' and girls' P. E. Departments, respectively.

Boys will wear white T shirts with Mt. Miguel Matadors stenciled in 2 inch red letters and white numerals on black background.

Boxer type black trunks with elastic tops will have same material printed as shirts except in one inch letters. White basketball or tennis shoes and sweat socks will complete the boys' uniforms.

Girls will wear white shirts, red trunks, white tennis shoes and sweat socks and a white parka.

Uniforms are on display at Lowe's Toggery and L.G. Sporting Goods.

Boy Assaulted Near Jr. Hi

Ernest Robert Chambers, 17, son of Mr. and Mrs. E. S. Chambers was assaulted Saturday night by a youth, approximately his own age, in the Lemon Grove Junior High School area at Lincoln and Orange Avenues.

Chambers said he was riding his bike when the youth, who witnesses said was a stranger in the area, struck Chambers, knocking him from his bike and kicking him in the face. Chambers did not require hospitalization.

Sheriff's deputies are investigating the incident.

Fake Roofers Work Old Dodge

Fake roofing operators may be operating in the county, area residents were warned this week by the San Diego County Police Department. Several of them have been operating in Los Angeles County and there is an indication that they are heading south.

Detective Sgt. George Orr of the police racket squad said that in Los Angeles two men in white coveralls have been operating in a truck with a canvas tarpaulin over the truck bed. He said they have solicited roof spray jobs and then applied crankcase oil drainings mixed with a roof preparation.

Shot Fired In Local Church To Capture Escaper

A broken-hearted mother sobbed quietly at the Lemon Grove home of her daughter-in-law at 3688 Grove Street Monday as her 21 year old son awaited trial in San Diego on charges of grand theft, assault and battery and for traffic warrants and as an escapee from the Kern County jail at Bakersfield.

The man, Sam Ray Henry Jr., a truck driver, was apprehended by sheriff's deputies Saturday night at a church adjacent to the Grove Street address after Sheriff Ser-

geant Charles P. Michael fired a bullet into the floor of the church when Henry attempted to escape.

Sgt. Michael and Deputy William C. Clement were searching for Henry to return him as a fugitive from Bakersfield and to after me."

He said that Henry was "glad he was caught". He claimed that he is suffering from a divorce action filed by his wife in a Bakersfield court. Two children, 24 months and ten months are involved.

Henry, according to the sheriff's deputies, made a break as they escorted him from the First United Pentecostal Church where they found him huddled behind the Church piano. The San Diego police said the San Diego firm hired Henry the day

Henry was subdued and handcuffed and taken to county jail field.

Plane Cracked Up At Local Airport

A private plane was wrecked Saturday at La Presa Airport on Sweetwater Road when the Cessna 170 piloted by a Hawthorne California man, apparently ran out of fuel on the take-off. None

of the three passengers was injured. Civil Aeronautics Authority investigators said that the plane, worth approximately \$4,000 was a complete loss.

☆ Driver licenses issued by the State Department of Motor Vehicles are increasing at the average rate of 15.48 percent per month.

Misses Priest and Knight At Lutheran Church School

The members of Lemon Grove Lutheran church and Sunday school will have their annual picnic Sunday at 1:30 p.m. in Balboa Park. It will be a potluck lunch with coffee and punch served by the church. There will be games and recreation for all age groups.

Two teenage girls, Miss Brenda Priest and Miss Carol Knight, have been spending this week at Palo Alto at the Luther League Leadership school. The purpose of this school is to teach and develop young leaders for the church.

Last Friday evening was parent's night program which climaxed our two weeks vacation of Bible school. A very nice program was presented by all of the classes and then open house was held and refreshments were served. The vacation Bible school

had 163 children enrolled and 80 children received certificates for perfect attendance.

Last Sunday at the 11 o'clock service, Steven Kenneth Huntington, son of Mr. and Mrs. Louis Huntington, was received into the church by Holy Baptism.

Rally Sunday for the Sunday school will be held September 15.

Lemon Plaza Concerts To Start Tuesday

The first in a series of recorded symphonic programs will be held starting Tuesday at the Lemon Grove Plaza, in the shadow of the lemon landmark.

The programs are presented by Joe Feldman who runs an escrow firm locally.

The programs, starting at 7 p.m. will be free. The first concert includes selections of Beethoven, Schubert, Gershwin, Chopin Tchaikowski and others.

Grove Insurance Man Hits \$ Million Mark

Joseph A. Finkelman, 7680 Canton Drive, a life insurance underwriter for the Penn Mutual Life Insurance Co., was the first Lemon Grove insurance man to pass the million dollar mark in sales. He reported, through his company, that his total amounted to \$1,027,000 since January 1, and that he had racked up \$400,000 worth of sales so far this month.

'FAIREST' TO SEEK STATE TITLE

Ellen Emig, brown haired, blue-eyed Fairest of the Fair and Miss Con-Tour, will bid for the Maid of California crown Sunday at the California State Fair and Exposition at Sacramento.

She will compete against 44 contestants—each representing a different county in the state. Eleven finalists will remain in Sacramento for opening day ceremonies August 28.

Meanwhile, announcement has been made the Fairest of the Fair will be married to John Leu September 1 at Escondido. The two "have gone steady" since school days, Miss Emig said.

Southern California Exposition officials said the marriage will not affect Miss Emig's status as Fairest of the Fair and Miss Con-Tour. She will continue to hold both titles until June 1958. Rules prohibit married girls from competing for the crown but does not disqualify a title holder who marries while reigning as Fairest of the Fair and Miss Con-Tour.

"MIND" SUNDAY SERMON TOPIC

God revealed as all-knowing "Mind" is stressed as the theme of the Lesson-Sermon in all Christian Science churches Sunday. The Golden Text from Romans (11:33) declares, "Oh God! how unsearchable are his judgments, and his ways past finding out!"

David sings in a passage from Psalms (145:1, 9, 13), "I will extol thee, my God, O king; and I will bless thy name for ever and ever... The Lord is good to all; and his tender mercies are over all his works... Thy kingdom is an everlasting kingdom, and thy dominion endureth throughout all generations."

Guaranteed Training For Vets To End Soon

The Navy Recruiting Officer in San Diego announced last week that the Navy Department's policy of guaranteeing a training school to reenlisting Navy veterans will soon end.

Reenlistment bonuses will still be paid to men who have been out less than ninety days, and some vets can reenlist with their old rates if they have been out less than two years.

Navy vets desiring more information on how they can fit back into the Navy picture should check with the Navy Recruiting Office located in the Main Post Office Building, 8th and E Streets in San Diego.

Crosbys Vacation With Trout & Sheep
Mr. and Mrs. Bert Cosby and Sheila and Mike returned Thursday from a month's vacation in Montana, with trout as the main objective. They spent some time near McLeod which is past Livingston, in Galatin National Park.
This section is popular with sheep men, has fine summer grazing. An estimated 250,000 sheep are given their summer vacation thereabouts.
Mrs. Cosby didn't count the sheep, but is sure the figures as to the woolies is correct.
The Cosbys were joined by San Diego friends who were also interested in trout, and Bert may have a few big ones that didn't get off the hook to tell about it at the next Board meeting.

FORMER EMPLOYEE GETS MOVIE CONTRACT

They say the breaks happen overnight in Hollywood and such is the case with Bob Turnbull, former Teen Editor for this newspaper. For it was only last week that Turnbull officially signed a contract to be third lead in an upcoming feature-length movie entitled "Teenage Rumble," a TransWorld Production, released through Warner Bros.

This break literally happened overnight. Turnbull portrays the second male lead in "Rumble," and is the "villain" or "heavy." He is Bart Thorsen, an outcast black-sheep member of a teenage Corvette sports car gang. Others in the cast are Jeff Clark, Yvonne Lime (you saw her as the cute blonde in "Rainmaker"), Faye Ray (King Kong's leading lady), Kuldeep Singh (our Kashmir singer) plus others.

"Teenage Rumble," started shooting Monday at Warner Bros. Mahbu Beach, Sunset Stages and at the Santa Barbara Dragstrip. It's a better-than-average teen picture with a little more meat in it, plus a terrific musical score and an excellent director, Dave Bradley. "Rumble" features a gang fight between the sports car gang and some motor cyclists, a "train drag chicken run," dragstrip scenes between Bart and the hero, Rick Martin where Bart forces Rick into the "freak" accident and in the end, complete with cops and broken coke bottles, Bart winds up getting shot in the chest with a spear gun at the beach (Crime doesn't pay).

Turnbull recently switched agents and is now with the same agent that Dennis Hopper has, Bob Reason of the Wm. Shreffin Agency. The picture will be released in about three months.

Fire Hits Valley Home 2nd Time

A fire early Monday morning gutted the six room home of George A. Novotney, 2331 Helix Street, Spring Valley. Novotney was not at home. Fire chief Don Clark of the Spring Valley Fire Department, said the station received the call at 1:20 a.m. from a neighbor of Mr. Novotney, Mr. F. V. Ackley of 2939 Helix.

Chief Clark said cause of the fire was undetermined (as of Monday noon). His early efforts to contact Mr. Novotney proved futile. Novotney lives alone, he and his wife being separated, according to a report.

The Spring Valley Fire Department answered a fire call to the Novotney home about three years ago, when a refrigerator shorted out.

The new building, which will be headquarters for the international service group, will occupy property at the corner of Rush and Erie Streets on Chicago's near north side. The site is one block west of the city's famed five blocks north of the Chicago River. The building will contain approximately 35,000 square feet of floor space in a ground level, a first level, and a second level.

As an added attraction, an inspection tour will be conducted through the Estes' home, construction of which has just been completed. In addition to this, sealed bids may be submitted on a large surprise package (contents unknown), which has been donated to the affair by a department store. At the end of the day, the sealed entries will be opened and the prize awarded to the highest bidder.

The girls are looking forward to the official visit of the Grand Worthy Advisor of the State of California, and will join with La Mesa, Fallbrook, and Oceanside assemblies in honoring this event on August 27.

were married by candlelight August 16 in the Chapel at North Island by Chaplain Burr in a simple and impressive ceremony.

The bride was gowned in white, and the groom was in "whites." The groom has been on duty in the Far East. His ship came home a week ago and he has been assigned to duty at Miramar, now VSP 61. (Photo Laboratory).

Eight of the groom's shipmates were present at the wedding, and 30 friends and relatives of the bride attended.

Mrs. Kathleen Isom, with "Ave Maria" and "Because," sang at Arthur Sales at the organ.

Matron-of-Honor Patricia Isom, the bride's sister, came from the northern part of the state two weeks ago to attend the affair.

The bride's brother, Fred Mueller, was best man.

Some delay in getting the license was experienced, due to the groom's parents living in Oklahoma and dating the permit to wed "August 31." Bud James' deputies couldn't pass this permit, and telegrams were exchanged, with the correctly dated paper arriving Friday morning by airmail, special delivery, and the license was issued.

The groom has two years more to serve in the Navy, and may decide to "stay in." The couple had planned on going to Texas to farm.

A reception at the home of the bride's parents, 7113 Waite Drive, followed the ceremony, with 75 friends toasting the happy couple. —DH.

...wave of persecution equalled only in Communist countries" climaxed by a total ban proscribing the work of Bible education by the Witnesses in the Dominican Republic since 1945.

An ultimatum to the Christian missionaries to renounce all association with the organization and cease communication with their Brooklyn, N. Y., office or leave the country was made last month by General Arturo Espalliat, Minister of Security, whom the U.S. government has sought to question in the disappearance of Dr. Jesus de Galindez. Some of the missionaries have been in the country for 11 years.

According to official news sources of the Dominican Republic,

the Witnesses has been under way since July 1. Kingdom Hall meeting places had been ordered closed and about 250 of Jehovah's Witnesses were brought in for questioning. The Witnesses have been subjected to beatings and violence by police and prison guards in an effort to make them renounce all association with the movement, Flinn stated. About 50 are now in prison, some with sentences of two years.

BROOKSIDE NOTES

LOIS K. LIGHTHART
HO 9-5721

Mrs. Donald Rogers of 3238 Par Dr. returned recently by train from a month's stay in Iowa where she visited her husband's mother and sister. Mr. Rogers was unable to take enough vacation time to make the trip, but daughter Judy 11, accompanied her mother.

Captain Ken Reynard and his son David, 15, of 3459 Niblick Dr. are glad to be home again after a six weeks voyage aboard the cargo vessel Puerto del Sol which took them to the ports of La Libertad, El Salvador; Amapala, Honduras; and Paita, Peru. As skipper of the "Puerto," a National Marine Terminals ship, Captain Reynard had the job of delivering 600 drums of tallow to the Central American ports and picking up in Paita a cargo of 800 tons of frozen and canned fish to bring to San Diego.

After four years of residence in Brookside, Orv and Kay Rundle and son Mark will move about about the first of September to Santa Barbara.

Duke and Kay Fairchild, 3272 Fairway Dr., returned a week ago Sunday from a two-week auto trip to the Middle West where they visited relatives in Oklahoma and Missouri. Son Lin, 10, and daughter Cheryl, 7, were with their parents and enjoyed the reunion with aunts, and cousins whom they had not seen since last summer. A pleasant surprise was the cool weather—most unusual back there at this time of the year.

Bill and Nan Frederick and son Ray, 14, of 3515 Foursome Dr., drove to Florida on their vacation in order to pick up older brother Tom, who has a 30-day leave from his Link trainer instructors job there. The whole family then visited relatives in Alabama before heading home.

Mr. and Mrs. C. H. Miller, 3220 Fairway Dr., with Jacob, 12, and Jennifer, 10, had a fine ten-day vacation trip which included camping at Sequoia National Park and sightseeing in the San Francisco area.

As of August 21, Miss Peggy Newton of 3437 Fairway Dr. is five years old—a fact she celebrated Wednesday with nine little friends at a swimming party at El Nadadero Club. Having fun splashing and later enjoying refreshments were: Susie Pugh, Judy and Johnny Tyndall, Carol Lawson, Patty Gaddes, Fontel Golden, Jane Nolan, Eric Lighthart, Cindy Eastlick, and Peggy's brother Gary.

The Ralph Mulroys of 3550 Trophy Dr. are getting back to the old grind after a wonderful family vacation spent camping at two beautiful spots, Sequoia and Big Sur. The exciting finale to the whole trip was provided by six-year-old Betty Ann, who, on July 21 appeared on Monte Hall's Birthday Carusel and was the lucky winner of a Day at Disneyland for her whole family, including younger brothers, Jim and Dennis.

A friendly welcome now to some new Brookside residents: Mr. and Mrs. J. T. George, son Terry, 9, and daughter Dea, almost 2, live at 3501 Foursome Dr. after moving there from Fontana. Mr. George is with Ladies Choice Foods Co.

Reverend and Mrs. Lawrence A. Kibby and youngsters Paul, 6, Timothy, nearly 4, and Loretta Ann, 2½, have settled at 3509 Foursome, having lived for several years in Pomona. Reverend Kibby is a busy man holding down two jobs. Closest to his heart is his work as Pastor of the Baptist Deaf Mission whose service are held in sign language at the First Baptist Church in San Diego. In addition he is San Diego representative for Beechnut Baby Foods.

The James Winklers of 3431 Fairway Dr. came here from Sacramento. Their five children are: Bobby, 9, Maxine, 8, Gary, 4, Mary Jane, 3, and Patricia, 1. Providence, Rhode Island, was the former home of Mr. and Mrs. Edward Neri, now of 3568 Trophy Dr. and their four children—Sandra, 9, Joan, 8, Audrey, 4, and Patricia, 15 months.

WHAT'S DOING

W. H. Parker, your Telephone Manager in La Mesa

When you're out for a drive in the country, you may notice a little "telephone gardening" underway. Especially where there are tall trees and shrubs. These growths could interfere with telephone lines if we didn't cut them down to size once in a while. When the brush gets extra thick, new chemical sprays (above) can be used. They do a mighty good job, too. And some day, I wouldn't be surprised to see a lot of spraying done from helicopters. It's already been tried out. No matter what it takes, the main thing is to keep those voice paths open for your calls.

That's a piece of telephone equipment in the hand of the man at left. It's called a thermistor. And the "heart" of it is just a tiny speck inside that tube. It's so small you could barely see it if you placed it on your fingertip. It does a big job, though. For with the thermistor, your voice can't fade or blare on the phone. Just goes to show that good things do come in small packages.

MOVE IN DAY

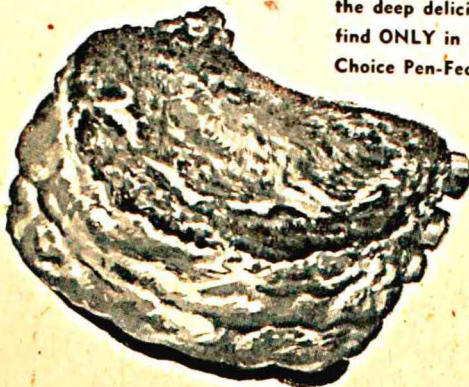

Labor Day week-end is scheduled as Move In Day for our Spring Valley installation and repair garage headquarters. The better-than 80,000 square feet of paved parking will handle the installation and construction trucks. In addition there will be room for off-street parking. Over 60 area telephone men and about 40 trucks will occupy this facility located on Lamar Street, east of Bancroft.

John Penery's Homer Wins L.L. Championship

Little League playoff champion, with Braves and Tigers hot contenders, developed into a "Casey at the Bat" situation. Put John Penery in Casey's place in the batter's order and you have the tense situation revealed by Ernest Lawrence in his poem, beloved by baseball fans, "Casey at the Bat."

Here we have John, who has been trying all season for a homer, but missing the right pitch. Finally in this last game, John's bat connected, the ball soared out into the atmosphere, "Best Climate on Earth", and John won the game and the Championship for the Braves, 1 to 0.

Local Girls To Be Two Of 1,200 4-H Convention Members

Twelve hundred members of 4-H Clubs will convene at University of California on the Davis campus August 26 to 30.

Loraine Lukas and Sheila Cosby, of Lemon Grove 4-H Club, were selected by the Club members to attend as delegates. They will be the first delegates to the annual convention from the local club.

Thirty-four 4-H members from San Diego County have been selected to attend. These representatives are voted on by their clubs, and are chosen for their interest and activities in 4-H Club work. Then the Leader and Farm Advisors Hinshaw and McNulty make the final selection.

Loraine was active in Home Economics, Cooking and Sewing, and Lambs and was awarded several ribbons at the 57 Fair.

Expenses of the delegates are paid by their Club, with the State contributing substantially.

The delegates will participate in a training program consisting, in part, of demonstrations by University professors, field tours, laboratory visits, training sessions and a trip to the State Fair. Many social functions are planned, including a tour of San Francisco.

Sheila Cosby returned from a vacation in Montana Thursday. A delegate from another Club was unable to go to Sacramento, and Sheila was appointed to the vacancy.

The Lemon Grove delegates will leave San Diego by bus at 3 a.m. Monday for Los Angeles, and go from there to Sacramento by train.

The two Lemon Grove girls will attend different sessions of the convention and exchange notes for reports, avoiding duplication.

KIWANIANNES SET POOLSIDE MEETING

Poolside meeting has been scheduled by the Lemon Grove Kiwanianes Sunday. Meeting will be held at the home of Dr. and Mrs. Brumbaugh with Ruby Goodwin presiding.

Kiwanianes voted to invite husbands, so the meeting will be brief and aquatic sports will be indulged in by some of the more athletic members.

Also scheduled as part of the program is a spaghetti dinner prepared by Dr. Frank Gigliotti who said that he has had imported some linguini di passiri from Italy for the event.

Mrs. Robert Sutton, who has been doing the telephone canvassing of the membership, reports forty acceptances. Dr. Gigliotti will perform as chief chef, with the president's husband acting as his chief assistant. Rumor hath it that the veritable "Jiggs" wields no mean spaghetti ladle; but, as for the assistant chef, his name is yet to be known to culinary fame.

The following co-hostesses will officiate with Mrs. Brumbaugh: Mrs. Robert Swenson, Mrs. Max Goodwin, Mrs. Jack Durham, Mrs. Harold Hensley and Mrs. Frank Armstrong.

PACK 308 OFF TO THE PICNIC

Lemon Grove Lion's Club sponsored Club Pack 308, under the leadership of Cubmaster Frank C. Doolin, will take to the country for its annual out-door pack meeting. This year the cubs and their families will invade El Monte Park on Sunday at 10:30. There will be games and prizes for both cubs and parents and lots of softball and volleyball.

ICE CREAM IS READY FOR 'SOCIAL'

The Women's Assembly of St. Philip's Church are busy finishing up all the last minute details for their old-fashioned ice cream social to be held at the church, Saturday, 6 to 9 p.m. Mrs. John Emerick, general chairman, announced that there will be music, and as a special attraction, an analysis of character through your handwriting by Mrs. Enola Rickey.

'SHOWBOAT' DOCKS IN SAN DIEGO WITH GREEN 'HANDS'

The proprietor of the Trocadero Music Hall said in the fifth scene of the second act of the Kern-Hammerstein musical "Showboat" when the leading lady, Magnolia, pleaded for a job as singer, "I can't take a chance on an amateur ruining my \$2,000 production."

The Starlight Opera people might have heeded this advice when they cast for the current offering which ends August 25 at Balboa Park Bowl.

The music, as everyone knows, ranges from blues to lively; and is good. The parts of Parthy Ann Hawks, Julie and Ravenal were portrayed well but these portrayals suffered because of the ineptness of most of the rest of the cast. Examples: voice breaks

when Joe sings "Ol' Man River"; Magnolia, who proves she can't dance every time she attempts it, nearly doing a pratfall by stumbling over her own feet walking onstage from the showboat; one of the chorus boys in a ballet specialty number in which he was to lift a girl above his head can't quite get her up... in fact he hardly gets her up on her tiptoes after much straining.

All in all, however, "Show-

boat" no matter how it is put on is fun if measured by the music. I heartily recommend professional performances for San Diego's open air musical comedy project.
